

*IRTA is a research institute owned by the Government of Catalonia ascribed to the Ministry of Climate Action, Food and Rural Agenda. IRTA is one of the CERCA centers of excellence of the Catalan Research System. Our purpose is to contribute to the modernization, competitiveness and sustainable development of agriculture, food and aquaculture sectors, the supply of healthy and quality foods for consumers and, generally, improving the welfare and prosperity of the society. We are granted by the EU with the [HRS4R](#) distinction for "HR Excellence in Research" and thus we offer a rich environment for knowledge development and exchange where to develop a scientific career, and possibilities for professional promotion according to the attained achievements. Check our initiatives [here](#).*

## PhD candidate for the Animal Health Program

[CPI2323]

IRTA is currently seeking an enthusiastic and motivated PhD candidate to join the [Animal Health Program](#). We invite applications from ambitious candidates with relevant research experience and passion to conduct research and innovation activities on the "NEXT GENERATION VACCINES AGAINST GASTROINTESTINAL MUCOSAL PATHOGENS, USING HELICOBACTER PYLORI AS MODEL PATHOGEN" in the frame of the Vax2Muc Project (Horizon H2020 - European Programme).

-  Supervisor/s: Prof. Dr Joaquim Segalés and Dr Marina Sibila Vidal
